- 2** Choose your lunch from the Marketplace's fresh selection.
- 3** Present your Campus Dining Meal Card and photo ID at checkout.

Where can I park?

Please do not park in Parking Lot #1 (the parking lot closest to the Eisenhower Memorial Center) or the loading dock. These lots are restricted to staff only. Appropriate parking options are outlined on the [map](#).

What can I eat?

You are free to choose your meal from the Marketplace's fresh selection. Desserts and pre-packaged foods are not included and must be paid for out-of-pocket. See the [menu](#) for more information.

How can I see my allotted meal balance?

Each participant will receive an allotted amount of meals that will be preloaded onto their meal card for the semester. If you utilize all of your meals before the end of the time period indicated, you will need to wait until the following semester. You can, however, pay out-of-pocket for your meal.

What do I do with leftover food?

The dining program is offered to provide a nutritious meal and to offer socialization opportunities. Meals must be eaten at the Marketplace. Taking food home is prohibited. Please discard any leftover food items.
