

Grant Management FAQ

Question:

What precipitated the need for this RFP?

Response:

Currently grants are managed throughout the agency with no set guidelines on how the grants are managed and how they work with fiscal.

Question:

Do you have a grants manager in fiscal?

Response:

We do not have a grants manager in fiscal or within the agency.

Question:

Is the agency looking for a job description?

Response:

Yes, we would want a job description for any positions the submitted recommends.

Question:

How many staff will be interviewed?

Response:

At least 5 Chiefs and 7 other staff from fiscal or currently managing grants now.

Question:

Should the submitter ask those interviewed if they are interested in the work of grants Management.

Response:

It is ok to ask this question of those interviewed. Please note it isn't required as many of those being interviewed have no background in grants management.

Question:

Page 7 Section B #4 the point range shows 2 points, should that be 20 points?

Response:

Yes, this was an error and the points for Section B #4 is 20 points.
